

The HummerHummer 'Spinner'

As featured at Max Power Show 2005, this Silver standard size Hummer H2 is fully loaded. Creating maximum brand impact, these massive 24" chromed Spinners don't just turn heads, they encourage further footfall and interaction.

Engage your audience with 3 In built screens to display options of DVD, Laptop, Playstation 2 to display on the outside of the vehicle. Wireless Games Controllers allow audiences to play on the Playstation from the outside of the HummerHummer!

Available for hire with a dedicated on campaign driver / assistant,

Call us now on **0870 321 23 32** or email Promotions Manager **Richard Silvester**, Richard@HummerHummer.co.uk
